**Business Overview:**

**The Mommy Wellness' Target** is to enhance the experience of motherhood and pregnancy and to provide a great joy and more happy expectations, thus the mother-to-be exudes a special glow of inner light and calm in this period. Actually, pregnancy has its own particular drawbacks, and so, to complement the unique beauty of pregnancy, Mommy Wellness Day Spa brings forth the perfect refuge to reimpose and revive energy for mothers.

**Propositions:**

The good thing that Mommy Wellness gives the opportunity to all ages and gender to get spa treatment through a very affluent program with considerable prices and fitting time.

**Trade:**

The name and logo are now in the process of being registered as trademarks. Further outlets will be in the southern suburbs of Cape Town, in the northern suburbs of Cape Town and in the east of Pretoria.
